Aspall Cuveé Chevallier  
Double Fermented Cyder

90 points

Pure golden color. Heady, complex aromas of baked, grilled, and brown apples have savory cheesy flinty, medicinal edges and follow through on a round entry to a dryish medium-full body with dense waves of apple cider vinegar, green pineapple, and mossy earth notes. Finishes with a long, apple, mineral, and hay fade with a touch of iodine. Very intriguing and food affined.
