

ASPALL CYDER HOUSE
SUFFOLK, ENGLAND

ASPALL

ORGANIC
CIDER

World Beer Championships

90 points

Brilliant old gold color. Dried apple blossom, light apple cider vinegar, light caramel, and white spices aromas. A delicately frothy entry leads to a vibrant, dry-yet-fruity medium-to full bodied palate. Finishes with a very tart and tannic mineral and apple skin fade. An earthy, country style cider with great charm and wine-like appeal.
